ABOUT US..

We introduce ourselves as Constructional and Industrial Solution provider under the name of **ENS TRADING COMPANY**, an establishment aimed at eliminating procurement problems of its prospective clients. We were established in 2005. With an International Supplier Base of the best in their respective fields. we assure you of services par excellence, prompt delivery, competitive prices and products that are in adherence to International standards.

We represent many well-known international manufacturers and stockist of industrial materials, Some of them include ENAR, SILLA, Metabo, Perkins, METS, Jhon Deere, Cummins, HYUNDAI, GMS. We deal in EPA & ISO Certified products with the highest European certifications.

- ✓ **Leading Provider** of Industrial Solutions
- ✓ **Number #1** Supplier in Saudi Arabia

► Vision & Mission

- To be the preferred provider of Industrial and Constructional Solution in Middle East.
- Focused on the future to apply our experience and expertise to build up our position at the top market.
- We train motivate our employees to provide and commit for best service.
- We fore front on Quality, Reliability and Services to our client for the use of new technology for better efficiency.
- To strive to be top, we are committed in delivering superior services that fully meet the need and expectation of our customers.
- Building long term business relationship with customers.
- We help hardware startups integrate technology, scale and desirability without compromise.

M AFP High frequency pokers

TECHNICAL DATA

MODEL	Diameter (mm)	Weight (kg)	Length (mm)	Max. performance (m ³ /h)	Intensity (A)
M3 AFP	30	10	353	12	3.5
M38 AFP	38	11	370	20	8
M5 AFP	50	13	365	30	10.5
M6 AFP	58	15	403	35	15
M7 AFP	65	16	365	40	22
M8 AFP	75	18	385	45	18

TECHNICAL DATA

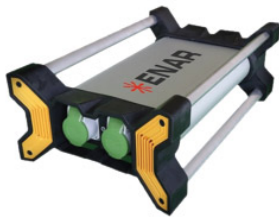

VIBRATION RANGE ROCKET

MODEL	DIAMETER (mm)	LENGTH (mm)	INPUT POWER (KW)	TOTAL WEIGHT (Kg)	PERFORMANCE (m ³ /h)
ROCKET 230V-38	38	370	0.75	14.6	Up to 20
ROCKET 230V-50	50	365	1.1	18.6	Up to 30
ROCKET 230V-60	58	420	1.5	20.6	Up to 35

BOXEL High-Frequency Electronic Converter

TECHNICAL DATA

MODEL	Dimensions (cm) (Long x Wide x High)	Weight (kg)	Number of plugs	Input		Output	
				Power	Tension/Frequency	Power	Tension/Frequency
BOXEL 215	48 x 31 x 18	9	2	1.7 KW 7.5A	230V 1 ~ 50Hz	1.5 KVA 21A	42V 3 ~ 200Hz
BOXEL 225	53 x 31 x 18	10	2	2.7 KW 12A	230V 1 ~ 50Hz	2.5 KVA 31A	42V 3 ~ 200Hz
BOXEL 325	53 x 31 x 18	10	3	2.7 KW 12A	230V 1 ~ 50Hz	2.5 KVA 31A	42V 3 ~ 200Hz
